EDUCATION

Shri Vishnu Engineering College for Women

- B.Tech Information Technology , CGPA: 8.43/10

2024 – 2027

Bhimavaram, Andhra Pradesh

Aditya College of Engineering and Technology

- Diploma , CGPA: 8.72/10

2021 – 2024

Surampalem, Andhra Pradesh

Sri Rajiv Memorial High School

- High School , Percentage: 85.17/100

2021

East Godavari, Andhra Pradesh

SKILLS

- **Programming Languages:** C, Java, Python
- **Core Java Concepts:** OOP, Inheritance, Polymorphism, Exception Handling, Collections Basics, Multithreading Basics, Data Structures Basics
- **Backend Development:** Spring Boot, Spring MVC, Flask, REST APIs, MySQL, MongoDB
- **Front-End Development:** HTML5, CSS, JavaScript, React.js, Bootstrap
- **Developer Tools:** Git, GitHub, VS Code, Eclipse, Postman

PROJECTS

Octovu – Startup Web Application

React.js, Tailwind CSS, JavaScript, REST APIs

- Developed responsive and reusable UI components for a startup-based digital platform.
- Implemented interactive user interfaces using React to enhance user engagement and performance.
- Ensured cross-device compatibility and optimized layouts for a seamless user experience.

Apartment Management System

Flask, Python, MongoDB, REST APIs

- Built a web-based system to manage residents' billing, expenses, and payment tracking digitally.
- Designed backend logic using Flask and integrated SQL for secure data storage and retrieval.
- Reduced manual record-keeping errors through structured database operations and validation.

E-Commerce Web Application

Java, Spring Boot, JSP, MySQL

- Developed a web-based e-commerce application for managing products, users, and shopping cart operations.
- Implemented backend logic using Spring Boot and integrated MySQL for secure data storage and retrieval.
- Applied MVC architecture, CRUD operations, and backend validation for efficient product and order management.

CERTIFICATES

- Java & Python Programming — Infosys Springboard
- Software Project Management — NPTEL
- IT Specialist – HTML & CSS — Certiport (Pearson VUE)
- OCI 2025 Certified AI Foundations Associate — Oracle

EXTRA-CURRICULAR ACTIVITIES

- **The Hindu Future India Club – Coordinator:** Managed club activities and improved leadership, communication, and organizational skills.
- **Assistive Technology Lab – Member:** Collaborated with cross-disciplinary teams on assistive technology projects addressing real-world problems.
- **Hackathon Participation:** Participated in technical hackathons to build innovative solutions within limited time constraints.
